SK Association of Nurse Practitioners

2019 is SANP's 10th Anniversary!

Saskatchewan Nurse Practitioner Education Conference

This annual conference is hosted by the Saskatchewan Association of Nurse Practitioners (SANP) and is the only conference in Saskatchewan that focuses on the nurse practitioner and their learning needs. Attracting up to 100 nurse practitioners, health care managers, and nurse practitioner students from across Saskatchewan, the conference provides opportunity for professional development and education as well as networking with other nurse practitioners, health care professionals and suppliers. The SANP also holds its AGM during the conference.

Hosting Organization - SANP

2019 is SANP's 10th Anniversary!

The SANP (Saskatchewan Association of Nurse Practitioners) is a non-profit, volunteer-run, professional organization that supports and advances the professional interests of its membership nurse practitioners, nurse practitioner students, and nurses who have an interest in the NP practice enabling NPs to provide accessible, efficient and effective healthcare that meets the highest standards of practice across the NP practice. Additionally, they support NP education by sponsoring educational opportunities pertinent to all streams of NP practice in Saskatchewan.

NOTE: SANP members received a reduced conference rate.

For more SANP information and to become a member, go to www.sasknursepractitioner.org.

Why Attend?

The conference provides you the opportunity to:

- Network with colleagues, health care related exhibitors, and representatives from SANP as well as unions, regulatory bodies, and the Saskatchewan Ministry of Health
- Hear from dynamic provincial speakers
- Learn up to date recommendations relevant to everyday practice
- Participate in decision making opportunities for the SANP
- Celebrate the great work that you and your colleagues are doing in the province!
